- _____ 9. Zoning approval documentation
- _____ 10. Other permits eventually necessary:
 _____ Electrical _____ Mechanical _____ Plumbing _____ Sign

**Applicant or licensed contractor must submit separate application forms for these permits prior to commencing work on that portion of the project.

RESPONSIBILITIES OF APPLICANTS

It is the legal responsibility for the applicant to call for all required inspections before any electrical, plumbing, mechanical or structural work is concealed or covered. It is also the applicant's responsibility to obtain and submit separate applications for any plumbing, electrical, mechanical or building permits.

Blue prints and drawings must contain sufficient detail to perform a plan review for conformance with the state building code. Include wall section/cross section drawing showing material dimensions and specifications from footing to rafters, as well as, floor plan indicating all room dimensions, window, door and stair openings. All structures containing premanufactured members (roof trusses, floor trusses, etc.) require a sealed diagram from the manufacturer, forward to our office at time of delivery.
