2. **Pledge of Allegiance.**
3. **Roll Call of Attendees** –Steve Wolf, David Peterson, Jeff Wenzel, Bob Ulrich, and Dennis Allen are present.
4. **Rules of Meeting**-Please turns off cell phones or takes calls outside of the meeting room. Comments limited to 3 minutes
5. **Approval of today’s meeting agenda and the minutes from the December 12, 2019 LTIB meeting.** The draft minutes from the December 12, 2019 meeting and the agenda items for tonight’s meeting were approved on a motion by Jeff Wenzel, supported by Dave Peterson and all other board members.
6. **Treasurer’s Report**-Jeff Wenzel reported that the beginning balance in the checking account for the Lake Templene Improvement Board totaled \$64,850.83 on December 30, 2019. The total ending balance as of March 31, 2020 was \$228,010.52
7. **Payment of Bills**- Bills prepared for payment by Jeffery Wenzel included \$ 2,431.00 & \$203.75 invoices from Spicer Group for data processing, final reporting, survey map preparation related to the addition of 21 acres to the bottomland reduction program. In addition, there was an invoice for \$1,500 from Clarke Aquatics for the annual herbicide permit to control weeds. On a motion by Dennis Allen, supported by Dave Peterson and all other board members, the bills totaling \$4,134.75 were approved for payment.
8. **Lake Templene Improvement Board advisory committee report**- Jack Rote and David Peterson visited the Spicer Group on January 28th to discuss adding bio-augmentation to two new areas totaling 21 acres. Station 17 runs along Timber Trace from Templin’s home to the corner of Sauger Lake. Station 13 begins near the corner of Sauger lot 036 and runs to Sauger Lake Rd lot 008-02. Spicer will revise the survey bottomland maps to include the two new areas when the annual bathymetric survey is completed in late September. With no expenses related to aeration, the revised budget for 2020 will be reduced by \$68,000 with a new total of a projected \$296, 155 expenses. Progressive AE will monitor near shore weed growth this season, especially near docks. Once again, this season routine DO (dissolved oxygen) and temperature sampling will be completed on a regular basis.
9. **New Business**-The dam repairs and improvements have all been completed as scheduled. One remaining item is to install a new water level height stick. It has been ordered by Jeff Wenzel
