August 5: Fire and Emergency Services Millage Renewal

In 2019 the voters of Nottawa Township approved a .75 mil tax for Fire and Emergency Services for six years. This millage has helped make it possible for the Centreville Fire Department to purchase a new fire truck last year and to fund our subsidy share for Life Care Ambulance service and also help with the village of Centreville's subsidy share.

On August 5, 2025 the .75 mil tax is on the ballot for renewal for six years.
